# Immerse yourself in the experiences of the forest.

Use the sun as a guide. Pitch a tent under the stars. Touch the foot of an ancient tree grounded by the forest floor.

RAUVISIO terra gives projects a truly unique look and feel. It provides an authentic wood look, while serving as a sustainable foundation for spaces to connect with nature. Unlike competitive TFL surfaces, RAUVISIO terra is a significantly more durable surface than melamine, which is subject to chipping and warping.

## Why shops will love it:

- No painting or staining required, unlike wood doors
- Consistent grain flow and matching available
- Not susceptible to chipping and warping

## Why your customers will love it:

- Richly soft to the touch
- Curated on-trend color collection
- Double-sided finished cabinet door or panel

## Daybreak collection

Splendid rays of warm morning light invite the promise of afternoon picnics and evening drinks on the lake surrounded by the gentle dance of fireflies. This sultry collection not only captures the recreational spirit of the great outdoors, but also creates a warm palette for interiors with its diverse and wondrous colors of nature.

**East Elm 4548**

**Mountain Oak 4512**

## Midday collection

Nurture a mature and well-establish taste. Like a classic wardrobe, this collection is built on staples. These color pillars have continued to inspire luxurious design in lands outstretched far and wide, from the exotic to the avant-garde. They are revered in design circles for their authenticity, simplicity and elegance.

**West Highland White 0028**

**Coastal Oak 4543**

**Mission Maple 4520**

**Harvest Walnut 4604**

## Evenfall collection

Warm neutral tints of foliage sway gently through the breeze as sundown approaches, creating an aura of romantic whimsy and cozy delight. Proven to withstand the test of time, these classic neutral tones have outlived the most transient surface trends and continue to link decorative elements from all color families.

**Craft Elm 4538**

**Vineyard Oak 4526**

**Saw-cut Sand 4533**

**Riverfront Elm 4528**

## Twilight collection

Like the roasted marshmallows and darkened coals of the hearth, this smoky collection brings rich earthy aesthetics into a space. These graphite and pewter tones envelope their surroundings, allowing the natural beauty of a design to glisten in enchanting ways, worthy of storytelling.

#### **Board Specifications**

RAUVISIO terra is laminated to a high-quality, engineered MDF core that is CARB2, TSCA Title VI certified and NAF (non-added formaldehyde) exempt. The face and the back are identical, and with the consistent substrate, warpage is virtually eliminated.

#### **Edgeband Specifications**

All components are edgebanded with REHAU LaserEdge, which is extremely heat and moisture resistant and results in a board that looks like a solid piece of wood.

#### **Cleaning and Care**

Clean with a damp microfiber cloth and mild soap if needed. RAUVISIO terra is resistant to most chemicals and solvent-based cleaners, but harsh chemicals should be avoided. Do not use brushes or scouring pads. REHAU is not responsible for any damage done by abrasive cleaning products or procedures.

#### **Protective Coat**

There is no protective peel coat on RAUVISIO terra products.
